RBxx90 VINTAGE PRESTIGE

FIELD OF APPLICATION

Wood, tiles, metal, glass, plastic, wall, fabric, steel and galvanised steel sheet. For indoor and outdoor use.

INFORMATION

Vintage Prestige is a ultra-matt enamel. It is a high-covering product, which strongly adheres to all kinds of surfaces. Its formula is odourless and with low VOC emissions. Vintage Prestige is a washable product. No sanding, no stripping, no primer application required. The application of two coats is recommended.

INSTRUCTIONS

Clean the surface from dirt, dust and grease by means of acetone, because these substances could avoid the adhesion of the coating. If old coatings peeled off, sand with 150-180 grit sandpaper. Spread the product on the surface. After 2 hours it is possible to apply a second coat. To decorate rusty metal surfaces, remove the rust with sandpaper or metallic brush. Apply an antirust, then apply Vintage Prestige products.

OVERCOATING

Natural Effect Topcoat RO3000.

PACKAGING

0,5 L 5 L *

**only RB1490, RB2090, RB2190*

Storage
> 5°C

Painting
> 10°C

Ready to use

Brush
Sponge
Roller

Yield
8-10 m²/L

Mix it well
before use

Drying time
between the coats
2 h

Final drying time
6-8 h

Solid content
60 ± 10 %

Viscosity
14000 ± 1000 cps

Specific weight
1,2 ± 0,2 g/cm³

Gloss level
5
